GM Message!

Since the establishment of the bank in 2017, the bank has contributed significantly in the corporate sector, business and commercial activities through exports and creating opportunities for financing. The bank has also renewed its value in the Islamic banking services sector through a range of commercial products and services that meet their desires. The innovative products and solutions implemented by the bank using an approach centered around the needs of our customers in addition to digital development and adopting a policy of expansion that included the opening of a number of smart branches and e-channels, which represented the main support for the growth and development of the bank over the past years. I assure you of Al-Khaleej Bank's continued commitment to developing its operations, services and pursuit of excellence, which will always motivate us to gain the trust and loyalty of our customers and partners. Kindly accept my full respect and appreciation.
